

Our milestones are touchstones

It is indeed an honour for RJGP, Neemka to announce that Jay Bharat Maruti Ltd., a leading auto components manufacturing unit, hired ten students of Electrical Branch of RJGP (Batch 2019) and made them join their plant in Faridabad. These students got selected after clearing an interview round held at a job fair organised by NTSC, Okhla on Apr 18, 2023. The students were filled with joy after getting the results. They were keenly interested to initiate their professional journey with a venture which provides holistic and sustainable solutions for future. They appreciated the efforts of Mr Umesh Dixit, Principal, RJGP, Ms Renu Dahiya, TPO, RJGP and Mr Manoj Kumar Meena, Diploma Coordinator, RJGP, Neemka.
