An Initiative for Women's Safety

We pay deep regards to Sub Inspector, IMT Police Chowky, Faridabad for visiting our campus on Nov 21, 2023 and guiding the girl students to remain alert while travelling and recommended them to download App 112. They guided the girl students that in case they get stuck in any difficult situation or if anyone unnecessarily bothers them be it at home or at their work places, they need to dial 112 so that the nearest volunteers may arrive at their specific location for immediate help. They further collected the students' data i.e. their Contact No., Address and Parents' Contact no. to get saved in their database.
