

## A Seminar on Software Technologies

A seminar was organized by Mr Lokesh Bhiduri, Director-Dezainic Academy on Apr 27, 2023 for the students of Mechanical, Civil and Fashion Design Branches at RJGP Campus. For Civil students, he along with his team members, had showcased the Material Testing on soil, tiles, cement etc. For Mechanical and Fashion Design students, he gave the introductory session of various software being used in their particular fields. The students found the seminar to be very knowledgeable and cheerfully stated that are willing to get deep insights into the same topics.
