In-House Training

The In-House training was organised by NSIC Training Center, Neemka for the students of RJGP, Neemka. The training was conducted as per the norm defined by HSBTE, Panchkula. The students were given practical inputs by the Departmental Expert Lecturers. The students performed the experiments related to the real world scenario. The training was imparted to almost 500 students who got promoted in second and third year of Diploma in Mechanical, Civil, Computer Science, Electronics & Comm., Electrical and Fashion Design for four weeks that commenced Aug 22, 2023 onwards. The training methodology was interactive as the trainers ensured that knowledge was not only disseminated but accurately perceived by the students. And in order to ensure this, trainers engaged students in discussions and kept the forum open for feedback, queries and suggestions.
