Diploma in Civil Engg.

Deepak
Diploma in Civil Engg

Jalaj
Diploma in Civil Engg.

Parveen
Diploma in Civil Engg.

It gives us immense pleasure to share that GAIL (India) Ltd., Faridabad arranged a telephonic interview initially and then hired our four students from Electrical and Civil Branch (Batch 2018 & 2019) directly after face to face interview at their end. The students hired will be trained technically and will be placed as an Apprentice and then would be promoted later. The students were very much willing to join the firm and work in the professional environment. The students showed courtesy to Mr Umesh Dixit (Principal, RJGP Neemka), Ms Renu Dahiya (TPO, RJGP Neemka) and Mr Manoj Kumar Meena (Diploma Coordinator, RJGP Neemka) for helping them grabbing the new prospects.
