CPR Training

GD Goenka Health Care Faridabad conducted a counselling session and CPR Training at RJGP campus. The GD Goenka Team comprising of 4 members gave inputs about CPR to the students about CPR to the students. The team was led by Mr Kranti Aggarwal on Feb 26, 2024 to give. Near about 100 students attended the session. With the CPR Training, students learnt how to help adults, children and infants during cardiac emergencies. The students found it very knowledgeable to save someone's life not only being at their workplaces but also at homes.
